BLAZE - the performance racing dinghy with a grin-factor included as standard.

When sailing is all about the smiles, the Blaze is the boat to set your racing alight. A thrilling, high-performance, single-hander, simple to sail for all sizes and weights.

The high-spec Hartley Boats' Mk4 still features the same hull design as the original 1996 Topper-built Mk1. So, whatever your budget, there's a competitive boat for you.

"It's the bang-for-buck performance that draws many to the class, and the competitive exhilaration that makes them stay."

Captivating club sailing will inspire you into a programme of Class Open and regional Championship events, routinely dispensing rousing racing and sizzling social.

Click on to www.blaze-sailing.org to browse regularly updated info, news and events, and cruise over to our [@BlazeSailing](https://www.facebook.com/BlazeSailing) Facebook group for general questions, specific advice and relaxed chat.

Warming up to the Blaze? Contact the Blaze Class Association for more information or to book a test sail.
